

## Form Unit

### Reading Form, Space, Unity and Balance

Kelly Sari 1 Day 45 Minutes

Interdisciplinary: Language Arts

Evaluation: On your rubric write the appropriate vocabulary used to describe this art including the Elements of Art and Principles of Design types of media and various processes and techniques.

**4-12 Science and Technical Reading Craft and Structure: 4.** Determine the meaning of symbols, key terms, and other domain-specific words and phrases as they are used in a specific scientific or technical context relevant to *grades 4–12 texts and topics*.

**Instructional Objectives:** Given the materials listed below, the students will read and understand the following vocabulary words: **form**, **texture** and **space** and **balance** and **unity** using a text.

**Materials:** text

**2.5 min.**

**Focus Review and Purpose:**

By the end of this class you will be able to do the following. “ I can understand the Elements of **form** and **texture** and **space**. I can understand that **balance** occurs when the form is **geometric**. An **organic form** is not **balanced**. **Unity is when everything works together for one purpose**. We will learn to use the Elements and Principles so that we can communicate by describing things.

**2.5 min.**

**Teacher Input:** The teacher will write the goals on the dry erase board and ask the students to complete the following:

1. Bell work: Write the answer in a complete sentence, How can we create imagine and innovate new original ideas?
2. Read the text out loud according to grade level.
3. Copy the definitions for the vocabulary words you will use for this project onto your rubric.

**30 min. Guided practice:** The students will:

Read, write and hear the directions and goals. Read aloud from the textbook

**Closure:** 10 minutes Quiz EQ: What are the Art Elements and Principles of Design? Evaluation: On your rubric write the appropriate vocabulary used to describe this art including the Elements of Art and Principles of Design types of media and various processes and techniques.
